

**Advanced Engine Management
10% Discount to Car Club Members until the 30th of January 2007**

Dear Car Club Member,

In recognition of Car Club enthusiasm and support, Wolf is offering a promotional discount to all members of registered car clubs.

This offer includes 10% discount off Retail Price on all catalogue and price list items, allowing us to provide good benefits to club enthusiast customers. All sales are supported both by our Dealer network and ourselves.

The product range includes:

- Wolf V500 Engine Management System
- Wolf V500 Dash Engine Monitoring System
- Stand Alone Wideband Air:Fuel Ratio Monitoring Systems
- Fuel System parts – Injectors, Pumps and Regulators
- Ignition System parts – Inductive and CDI
- Intake Systems – Performance Throttle Bodies
- MXL and MYCHRON3 Race Dashboard and Datalogging systems

Simply go to our website www.wolfems.com to view all available products or contact us at sales@wolfems.com for a Club special price list to be emailed to you.

For website ordering, create a login and password at www.wolfems.com , then email us at sales@wolfems.com, and let us know:

Your login and contact details

Club membership details

and we will change your login to have the 10% Club discount applied to it.

Club Members can contact us via:

Email: sales@wolfems.com

Phone: Within Australia 03 9761 3161 International +613 9761 3161

Fax: Within Australia 03 9761 3162 International +613 9761 3162

Payment methods we accept:

Credit Card – can be used on our secure website for on-line ordering.

Bank Transfer – you will receive our bank details once you place your order, either on-line, or via a phone, fax or email order.

The discount is valid from the 25th of November 2006 until the 30th of January 2007, or while stocks last.

We look forward to serving your Car Club Members and helping them get the most satisfaction from their chosen sport, whether that sport be for fun or competition.

Best regards,

The Team at Wolf
